PRESS RELEASE

DATE: Monday July 15, 2019

RE: **Butterworth Road is now open to traffic.**

Butterworth Road between Adams Road and State Route 48 is now Open.

Lebanon, Ohio – Hamilton Township – As of today, Monday, July 15, 2019, Butterworth Road, in Hamilton Township, is now open. Butterworth Road was closed due to road slippage near Ertel Run. Since the closure, the Warren County Engineer's Office surveyed and designed the project while the construction was completed by W.E. Smith Construction.

Thank you to the traveling public for their patience.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3302.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
