PRESS RELEASE

DATE: Thursday 25, 2019

RE: **Socialville-Fosters Road Closure.**

Socialville-Fosters Road to Close for Twelve Weeks for Bridge Rehabilitation and Retaining Wall Construction.

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Socialville-Fosters Road Bridge #32-5.14, over Simpson Creek between Western Row Road and Old 3C Highway, will be closed for rehabilitation beginning Tuesday, August 6, 2019, for twelve (12) weeks, weather permitting. A section of deteriorated retaining wall located between Simpson Creek and the roadway will be replaced as well during the closure. The bridge rehabilitation and retaining wall project will be constructed by DDK Construction, Inc. The project is funded by the Warren County Engineer's Office and the Ohio Public Works Commission.

The detour for the closure will utilize Landen Drive, US 22/SR 3, and Old 3C Highway.

Thank you to the traveling public for their patience.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
