PRESS RELEASE

DATE: Thursday August 1, 2019

RE: **Fosters-Maineville Road is now open to traffic.**

Fosters-Maineville Road is now open.

Lebanon, Ohio – Hamilton Township, Warren County, Ohio – Fosters-Maineville Road, located between Old 3^C Highway and Butterworth Road, is now open. The closure was for the rehabilitation of culvert #23-1.79 and an embankment repair, which was constructed by the Warren County Engineer's Office Highway Department.

Thank you to the traveling public for their patience.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
