PRESS RELEASE

DATE: Friday August 23, 2019

RE: **Overbrook Dr., Bridge #2080-0002 Immediate Closure.**

Overbrook Dr. bridge #2080-0002 closed immediately.

Lebanon, Ohio – Hamilton Township, Warren County, Ohio – Bridge #2080-0002 located on Overbrook Dr., just east of US22/SR3, is being closed immediately after inspection discovered degradation of critical members of the bridge. This bridge shall be closed indefinitely until further repairs can be made to the structure.

Detour for this closure shall utilize US22/SR3 and Hopkins Rd.

Further updates shall be forthcoming.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
