PRESS RELEASE

DATE: Tuesday, June 16, 2020

RE: Morrow-Woodville Road now open to traffic.

Lebanon, Ohio – Harlan Township, Warren County, Ohio – Morrow-Woodville Road, located between SR28 and Vandervoort Road, is now open to traffic. The closure was for the replacement of bridge #24-1.24, which was constructed by the Warren County Engineer's Office Highway Department.

Thank you to the traveling public for your patience.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
