# PRESS RELEASE

DATE: Thursday, August 6, 2020

RE: **Wilmington Road Open to traffic.**

---

Lebanon, Ohio – Washington Township, Warren County, Ohio – Wilmington Road, south of the intersection of Wilmington Road and Corwin Road (Mather's Mill Hill), is now open to traffic. The road was closed to construct a drilled pier wall to mediate hillside slippage that caused significant damage to the roadway. This construction project was completed by W.E. Smith Construction. The project was funded by the Warren County Engineer's Office.

Thank you to the traveling public for their patience, your cooperation during this event was greatly appreciated.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

**About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
