IMMEDIATE RELEASE

DATE: Monday, August 17, 2020

RE: **Long-Spurling Rd., Harlan Township, closed to traffic.**

Lebanon, Ohio. Harlan Township, Warren County, Ohio – Effective immediately, Long-Spurling Rd. shall be closed to traffic between addresses 5062 - 5199 located at the CSX railroad crossing for emergency repairs to the existing rail. The repair work is unspecified, so no time frame is available, and there shall be no detour listed. Please adjust travel routes accordingly. Updates shall be following as they become available.

Your cooperation during this event will be greatly appreciated.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
