PRESS RELEASE

DATE: Monday, September 21, 2020

RE: **Indefinite Road Closure on Columbia Rd. in Union Township.**

Lebanon, Ohio – Union Township – Columbia Road, in Union Township, Bridge #15-6.58, just west of the Turtlecreek Road intersection, is closed due to damage resulting from an accident. The damage to the structure is significant, requiring an indefinite closure, until guardrail and bridge repairs can be made.

The detour for the closure utilizes Columbia Road, to Mason-Morrow-Millgrove Road, to SR 42.

Thank you to the traveling public for their patience.

For more information, visit [http://www.wceo.us/](http://www.wceo.us) or contact WCEO at (513) 695-3301.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
