## PRESS RELEASE

DATE: Monday, April 19, 2021

### **RE: Middleboro Road to be closed for 3 days for a road culvert replacement**

Lebanon, Ohio – Washington Township, Warren County, Ohio – Middleboro Road, located between Wilmington Road and State Route 350, will be closed beginning Monday, April 26, 2021 for three (3) days, weather permitting. The road closure is for the replacement of a culvert pipe located just south of Flint Trail Drive. This project is being constructed by the Warren County Engineer's Office Highway Department.

The detour will utilize State Route 350, US 22/SR 3, George Road (Clinton County) and Wilmington Road.

Thank you to the traveling public for your patience during this important project.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

*The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.*

#### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
