## PRESS RELEASE

### Union Road to Close for Twenty-Two Weeks for Bridge Rehabilitations

Lebanon, Ohio – City of Middletown and Turtlecreek Township, Warren County, Ohio – Union Road Bridge #33-5.16, over Eberharts Run between Long Meadow Drive and SR 122, will be closed for rehabilitation beginning Monday, June 14, 2021, for twelve (12) weeks, weather permitting. Following this closure, Union Road Bridge #33-4.92 over Hendricksons Run between Hendrickson Road and Long Meadow Drive, will be closed for rehabilitation for ten (10) weeks, weather permitting.

The bridge rehabilitations will be constructed by DDK Construction, Inc. and the project is funded by the Warren County Engineer's Office.

The detour for the closure will utilize Hendrickson Road, Towne Blvd, and SR 122.

For more information, visit [http://www.wceo.us/](http://www.wceo.us) or contact WCEO at (513) 695-3301.

#### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*

#### **Media Contact:**

Roy Henson, P.E., P.S.

Bridge Engineer
