PRESS RELEASE

Union Road Closure Update for Bridge Rehabilitations

Lebanon, Ohio – City of Middletown and Turtlecreek Township, Warren County, Ohio – Union Road Bridge #33-5.16, over Eberharts Run between Long Meadow Drive and SR 122, rehabilitation is almost complete and is planned to be opened to traffic on Friday, September 17, 2021. Once the rehabilitated bridge is open to traffic, Union Road Bridge #33-4.92, over Hendricksons Run between Hendrickson Road and Long Meadow Drive, will be closed for rehabilitation for ten (10) weeks, weather permitting.

The bridge rehabilitations are being constructed by DDK Construction, Inc. and the project is funded by the Warren County Engineer's Office.

The detour for the closure will utilize Hendrickson Road, Towne Blvd, and SR 122.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
