## PRESS RELEASE

DATE: Wednesday, October 27, 2021

### **Western Row Road to Close During the Daytime Hours of 9:00am to 3:00pm for One Week for an Advance Warning System Installation is Delayed until November 1<sup>st</sup>.**

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Western Row Road, between Socialville-Fosters Road and Overton Way, closure for the Advance Warning System installation is delayed and will now close November 1<sup>st</sup>, 2021, weather permitting. The closure will still be for one (1) week during the daytime hours of 9:00am to 3:00pm. The delay is due to a scheduling delay by the Contractor.

The installation will be completed by Bansal Construction. The project is funded by the Deerfield Township Trustees and being managed by the Warren County TID.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

#### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
