## PRESS RELEASE

### Emergency Closure on Shawhan Road

Lebanon, Ohio – Salem Township, Warren County, Ohio – Effective immediately, Shawhan Road, between Phillips Road and Waynesville Road, at Bridge #79-3.84 over the west fork of Halls Creek, will be closed until further notice. The closure is due to an embankment failure near the bridge. A repair plan is ongoing and will be completed as soon as possible by the Warren County Highway Department.

The detour for the closure utilizes Stubbs Mills Road, Mason-Morrow-Millgrove Road, State Route 123, and Waynesville Road.

Your cooperation during this closure will be greatly appreciated.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

### About the Warren County Engineer

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
