PRESS RELEASE

DATE: Thursday, March 30, 2023

Grandin Road to Close for 8 Weeks

Lebanon, Ohio – Hamilton Township and City of South Lebanon, Warren County, Ohio – Grandin Road, between the Peter's Cartridge Factory Apartments/Cartridge Brewing entrance and Striker Road, will be closed to traffic beginning Wednesday, April 5th, 2023, for eight (8) weeks, weather permitting. The closure is necessary for the new bridge steel superstructure delivery and erection south of the Little Miami River, as well as the remaining roadway improvements on Grandin Road in connection with the King Avenue Bridge Replacement Project. Access to the Peter's Cartridge Factory Apartments and to Cartridge Brewing for the first week and a half of the closure will be maintained from Grandin Road during the steel superstructure delivery and erection, delays are expected. During the remainder of the closure, access to the Peter's Cartridge Factory Apartments and to Cartridge Brewing will change to King Avenue for the roadway improvements to take place on Grandin Road.

The detour for the closure will utilize King Avenue, Columbia Road, Mason-Morrow-Millgrove Road, and SR 48.

Your cooperation during this project is greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the

accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
