## PRESS RELEASE

DATE: Wednesday, July 19, 2023

### Hamilton Road to Close for 2 Days.

Lebanon, Ohio – Turtlecreek Township, Warren County, Ohio – Hamilton Road, between SR63 and McClure Road, will be closed beginning Tuesday, July 25, 2023, for two (2) days, weather permitting. The closure is for the collection of soil borings needed for a future roadway shoulder stabilization project and will be completed by the Terracon.

The detour for the closure will utilize SR741 and SR63.

Your cooperation during this project will be greatly appreciated.

#### About the Warren County Engineer

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
