## PRESS RELEASE

### Mason-Morrow-Millgrove Road (Pike Street) to Close for 14 Weeks for Bridge Rehabilitation

Lebanon, Ohio – South Lebanon, Warren County, Ohio – Mason-Morrow-Millgrove Road (Pike Street) Bridge #38-3.73, over Dry Run, between Main Street and High Street, will be closed for rehabilitation beginning Monday, January 29, 2024, for fourteen (14) weeks, weather permitting.

The bridge rehabilitation will be constructed by Ford Development Corp. and the project is funded by the Ohio Public Works Commission, the Warren County Engineer's Office, and the City of South Lebanon.

The detour for the closure will utilize Main Street, Broadway Street, and High Street.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

#### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*

#### **Media Contact:**

Roy Henson, P.E., P.S.

Bridge Engineer
