Old State Route 122 and Utica Road to become an All Way Stop Today

Lebanon, Ohio – Clearcreek Township, Warren County, Ohio – Old State Route 122 and Utica Road intersection to become an All Way Stop intersection today. The intersection currently has Utica Road as a stop condition while Old SR122 as a thru condition. After monitoring this intersection for some time, we have decided to make this intersection an All Way Stop intersection.

Your cooperation during this traffic pattern change will be greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
