PRESS RELEASE

Mason-Morrow-Millgrove Road (Pike Street) is Now Open to Traffic

Lebanon, Ohio – South Lebanon, Warren County, Ohio – Mason-Morrow-Millgrove Road (Pike Street), between Main Street and High Street, is now open to traffic. The closure was for the Mason-Morrow-Millgrove Road (Pike Street) Bridge #38-3.73 Over Dry Run Rehabilitation Project. The construction project was completed by Ford Development Corp. and was funded by the Ohio Public Works Commission, the Warren County Engineer's Office, and the City of South Lebanon.

Your cooperation during this project was greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
