PRESS RELEASE

DATE: Friday September 13, 2019

RE: **Road Closure on King Avenue/Grandin Road.**

King Avenue/Grandin Road closure, Deerfield Township and Hamilton Township.

Lebanon, Ohio –Deerfield Township and Hamilton Township, Warren County, Ohio – King Avenue/Grandin Road three (3) night closure has ended, and is now open to traffic. It was a night-time closure to allow for concrete demolition and repair to the Peters Cartridge Company building in the Village of South Lebanon, and is now open.

For more information, visit <http://www.southlebanonohio.org> or contact the Village at (513) 494-2296.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
