

Fields Ertel Road Intersection Improvement Projects

The Hamilton County Engineer's Office (HCEO) and the Warren County Engineer's Office (WCEO) invites you to an open house public meeting on January 23rd from 5:00PM - 7:00PM at the Sycamore Township Fire Department at 11580 Deerfield Road to learn about proposed improvements to the intersections of Fields Ertel Road and Butler-Warren Road.

The proposed improvements includes a roundabout, new curb and gutter, and new storm drainage. The improvements will reduce congestion and delay at the intersections. Anticipated property impacts as well as construction funding and schedules are unknown at this time.

At the meeting, you will be able to review and comment on the proposed projects. Representatives from the HCEO, WCEO and the engineering consultants will be available throughout the open house to answer questions. Comment sheets and exhibits will be available during the open house. There will be no presentation and you may arrive anytime between 5 and 7 PM.

If there are any questions or comments, please contact project manager Dan Corey, P.E, S.I at (513) 695-7725 (w) or dan.corey@co.warren.oh.us. The final date for submission of comments is February 23, 2020
