PRESS RELEASE

DATE: Wednesday, March 11, 2020

RE: **One Day Closure on Lower Springboro Road in Wayne Township**

Lebanon, Ohio – Wayne Township – Lower Springboro Road (CR 22) will be closed on Thursday, March 19, 2020, for one (1) day, weather permitting. The closure, which is located 800 feet west of the Cincinnati-Columbus Road intersection, is for the collection of a soil boring for a future roadway shoulder stabilization project.

The detour will be posted and will utilize Township Line Road, Pekin Road, and Cincinnati-Columbus Road.

Thank you to the traveling public for your patience.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
