## PRESS RELEASE

DATE: Wednesday, March 23, 2020

RE: **One Day Closure on Middleboro Road in Harlan Township**

Lebanon, Ohio – Harlan Township – Middleboro Road (CR 45) will be closed on Monday, April 6, 2020, for one (1) day, weather permitting. The closure, which is located 0.25 miles south of the Henry-Plummert Road intersection and 0.16 miles north of the Clinton County line, is for the collection of soil borings for the future Middleboro Road Bridge #45-0.16 replacement project.

The detour will be posted and will utilize SR132, SR123, SR28, W. Main Street, N. Broadway Street and Middleboro Road.

Thank you to the traveling public for your patience.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

### **Media Contact:**

*Dominic Brigano, P.E., S.I.*

*The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.*

### **About the Warren County Engineer**

*County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.*
