PRESS RELEASE

DATE: Thursday, June 18, 2020

RE: **Lily Drive Open to Traffic.**

Lily Drive Open to Traffic.

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Lily Drive, over Stony Hollow between Rose Road and Lilac Road, is now open to traffic. The bridge was closed to remove the existing culvert & construct a new bridge. The bridge construction project was completed by DDK Construction, Inc. The project was funded by the Warren County Engineer's Office and Deerfield Township.

Thank you to the traveling public for their patience.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
