PRESS RELEASE

DATE: Thursday, July 30, 2020

RE: **Morrow-Woodville Rd., Harlan Township, closed to traffic for resurfacing.**

Morrow-Woodville Rd. to be closed between SR 28 and SR 133.

Lebanon, Ohio – Harlan Township, Warren County, Ohio – Weather permitting, beginning August 3rd through August 5th, Morrow-Woodville Rd. shall be closed to traffic during daytime hours only, between State Route 28 & State Route 133 for resurfacing in both northbound and southbound lanes consecutively. Traffic shall not be maintained in the travel lanes while work crews are paving. Emergency vehicles shall be permitted through in emergency situations. There shall be no detour listed at this time, as the delays are temporary. Expect these delays in advance, and please adjust travel routes accordingly.

Your cooperation during this event will be greatly appreciated.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
