PRESS RELEASE

DATE: February 25, 2021

RE: **King Avenue Traffic Delays due to Lane Closures**

Expect Traffic Delays on King Avenue for Four Days beginning March 2nd

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Expect traffic delays for lane closures on King Avenue between the Little Miami River bridge and Kings Mills (Miami Street) beginning Tuesday, March 2, 2021, for four (4) days between the hours of 9 am and 3 pm, weather permitting. The lane closures are necessary to complete soil boring and sampling work ahead of our planned King Avenue Bridge #282-0.97 Replacement Over Little Miami River Improvements Project in 2022 and 2023. One lane of traffic will be maintained at all times with flaggers.

Thank you to the traveling public for your patience.

For more information, visit <http://www.wceo.us/> or contact WCEO at (513) 695-3301.

The Warren County Engineer's Office encourages drivers to stay alert and take your time when out on the road. We consider it a privilege to serve Warren County, to maintain a safe county road system and to help you get around our beautiful county.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
