PRESS RELEASE

DATE: Friday, October 29, 2021

Lower Springboro Road is now open.

Lebanon, Ohio – Wayne Township, Warren County, Ohio – Lower Springboro Road, between Township Line Road & Cincinnati-Columbus Road, is now open. The closure was for the construction of a drilled pier wall to stabilize the roadway which was completed by W.E. Smith Construction, Inc. This project was funded by the Warren County Engineer's Office.

Your cooperation during this project will be greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
