PRESS RELEASE

DATE: Thursday, October 28, 2021

New Burlington Road to close for 4 weeks.

Lebanon, Ohio – Wayne Township, Warren County, Ohio – New Burlington Road, between Pigeon Street & Furnas-Oglesby Road, will be closed beginning Monday, November 8th, 2021, for four (4) weeks, weather permitting. The closure is for the construction of a drilled pier wall to stabilize the roadway which will be completed by W.E. Smith Construction, Inc. This project is funded by the Warren County Engineer's Office.

The detour for the closure will utilize Corwin Ave., SR42, Roxanna-New Burlington Road and Wilson Road.

Your cooperation during this project will be greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
