PRESS RELEASE

DATE: Friday, November 12, 2021

New Burlington Road is now open to traffic

Lebanon, Ohio – Wayne Township, Warren County, Ohio – New Burlington Road, between Pigeon Street & Furnas-Oglesby Road, is now open to traffic.

The construction of a drilled pier wall to stabilize the roadway was completed by W.E. Smith Construction, Inc. This project was funded by the Warren County Engineer's Office.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
