RE: Expect Delays on Socialville-Fosters Road due to Resurfacing Project

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – Expect traffic delays on Socialville-Fosters Road between Snider Road to Mason-Montgomery Road and between Columbia Road to east of Stablegate Lane beginning Monday, September 19, 2022, for three (3) weeks, weather permitting. The delays are due to milling, resurfacing, pavement markings and pavement rejuvenator installation on Socialville-Fosters Road. The project is being resurfaced by the John R. Jurgensen Company.

Traffic will be maintained at all times with flaggers.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
