PRESS RELEASE

DATE: Wednesday, March 1, 2023

Intermittent Daytime Road Closures on King Avenue

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – King Avenue, between Miami Street and the Peter's Cartridge Factory Apartments/Cartridge Brewing entrance, will have intermittent daytime road closures to through traffic from 9:00 AM to 3:00 PM, beginning Wednesday, March 15th, 2023, for approximately two (2) weeks, weather permitting. The closure is necessary for the new bridge steel superstructure delivery and erection north of the Little Miami River in connection with the King Avenue Bridge Replacement Project. Access to the Peter's Cartridge Factory Apartments and to Cartridge Brewing will be maintained at all times from Grandin Road.

The detour for the closure will utilize Columbia Road, Mason-Morrow-Millgrove Road, SR 48, and Grandin Road.

Your cooperation during this project is greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
