Fields-Ertel Road Delays due to Utility Relocation

Lebanon, Ohio – Deerfield Township, Warren County and Symmes Township, Hamilton County, Ohio – Fields-Ertel Road, mainly between Snider Road and Wilkens Blvd., and Snider Road, just north and south of Fields-Ertel Road, will experience traffic delays due to utility relocation from May 15, 2023 to March 15, 2024. Traffic will be maintained by flaggers. The lane closure(s) are for utility relocation in preparation for the upcoming Fields-Ertel Road Widening Project. The utility relocations will be completed by several Contractors for electric and multiple communication companies. Motorist may want to seek alternate routes to avoid delay.

There will be no detour posted.

Your cooperation during this project will be greatly appreciated.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
