PRESS RELEASE

DATE: Wednesday, October 25th, 2023

Signal Outages at Snider Road and Irwin-Simpson Road Intersection as well as Columbia Road and Irwin-Simpson Road Intersection

Lebanon, Ohio – Deerfield Township, Warren County, Ohio – The Snider Road and Irwin-Simpson Road Intersection as well as the Columbia Road and Irwin-Simpson Road Intersection, will have a signal outage on Thursday, October 26th, 2023 between the hours of 8:00 p.m. to 4:00 a.m. (Friday October 27th, 2023), for a right turn overlap phase to be added into the signals.

There will be no detour for the signal outages. Law Enforcement Officer(s) will assist with traffic control for the signal outage.

Your cooperation during this event will be greatly appreciated.

For more information, visit [http://www.wceo.us/](http://www.wceo.us) or contact WCEO at (513) 695-3301.

About the Warren County Engineer

County Engineers in Ohio are required by law to be registered as both Professional Engineers (P.E.) and Professional Surveyors (P.S.) They are responsible for the maintenance and construction of county roads and maintenance and construction of bridges on county roads, township roads, and certain streets within municipalities. They are also responsible for maintaining land surveying records, checking the accuracy and adequacy of recorded land transfer documents, and establishing or re-establishing certain land survey monuments.
